Your monthly partnership
brings more than just a smile to
children with cancer or life threatening illness.

It gives them a chance to get out of bed, laugh, create,
feel good about themselves and for the moment, just be a child.

These children are victims of uncontrollable circumstance.
They deserve our attention and we are honored to serve them.
Your partnership does more than you will ever realize.

Discovery Arts brings music, art, dance and drama to children with
cancer, serious blood disorders and life threatening illness
while they are in the hospital receiving treatment.

All of our Programs and Services are free to the hospitals,
patients and their families. We rely completely on
the generosity of individuals, corporations
and Foundations to survive and grow.
